Sir:

In reply to the Office Action dated January 30, 2002 (Paper No. 4) concerning this application, Applicant respectfully submits the following:

I.

The Examiner has requested restriction of the invention. Applicant provisionally elects, with traverse, Group I (Claims 11-21 and 34).

MPEP §803 requires examination on the merits if the search and examination of an entire application can be made without serious burden. Search and examination of the entire present application would not appear to impose a serious burden because all
